

Report for the Parish Council - May 2021.

No past news to report, but some hopes for the future:-

- ① Chapel - open again for services, and taking bookings for Schoolroom & Centenary Room. Food Bank has met throughout. Hope to start coffee mornings on the last Thursday in June. Discussions on other events, including the Scarecrow Festival are taking place.
- ② Heritage Association - celebrating 10 years this year so planning a commemorative event in the Autumn. The Centre will open June/July time. 2022 Calendar in production.
- ③ Horticultural Society - Councillor Harvey will report on our plans for 2022.
